IMPORTANT NOTICE:

This list is not a substitute for proof of license. The Department of State License must read "Ingeniero Licenciado, RPA". Any Professional Engineer (PE) whom understands that his or her name has been unintentionally omitted from the hereby shown list must contact, through the email address shown below, the Board of Examiners for Engineers and Surveyors of Puerto Rico. Please state your full name, PE license number and last renewal date. Once your email is received, you will be contacted for further instructions.

Email address: registropermanente.agrimensura@gmail.com ****PLEASE, DO NOT USE THIS EMAIL ADDRESS FOR ANY OTHER PURPOSE.

LEGEND:

1- INL, (Spanish abbreviation for Ingeniero Licenciado), meaning a licensed professional engineer, (PE).

2- RPA, (Spanish initials for Registro Permanente de Agrimensura), meaning a licensed professional engineer, (PE), included in the permanent registry of engineers authorized to practice surveying, under his or her engineer license.

3- A Cycle is the period of time from issue of license to license expiration up to a maximum of five years.

4- OK status means that the person is a professional engineer, with an "Active License", previously admitted in the permanent registry of engineers authorized to practice surveying and is allowed to practice both professions, under the same license, during the current cycle and until the expiration date.

5- CI stands for "Cycle Inactive", meaning that the person possesses an active professional engineer license and was previously admitted in the permanent registry of engineers authorized to practice surveying, **however is not authorized to practice surveying during the current cycle or shown period**. Authorization to practice surveying, could be regained in the next license cycle renewal by using the application form designated for engineers to be included in the professional registry to practice surveying and meeting all requirements; including the required continuing education contact hours for surveyors.

6- EXP stands for "Licensed Expired", meaning that the person was previously admitted in the permanent registry of engineers authorized to practice surveying but has not renewed the corresponding professional engineer license; therefore, cannot practice neither surveying nor engineering, during the shown period. During the renewal process must use the application form designated for engineers to be included in the professional registry to practice surveying and meet all requirements; including the required continuing education contact hours for surveyors.

7- INA stands for "Inactive", meaning that the person was previously a licensed professional engineer, admitted in the permanent registry of engineers authorized to practice surveying but is currently Inactive; **therefore, cannot practice neither surveying nor engineering.**

8- RET stands for "Retired", meaning that the person was previously a licensed professional engineer, admitted in the permanent registry of engineers authorized to practice surveying but is currently retired; **therefore, cannot practice neither surveying nor engineering.**
